### About This Game

Multiplayer Game Maker is a sandbox 2D platformer with a level editor and massive multiplayer. Create levels of your dreams and share your creations with other players!

Also you can play online levels created by other players and rate them. The best levels will appear at the top of the list, which will give an opportunity their authors to become famous! Make the game of your dreams, it's simple!

### Features:

- • Built-in level editor
- • Upload levels to Steam workshop
- • Ability to play any levels online
- • Nice interface and Sci-Fi 2D graphics
- • Different characters
- • Massive multiplayer mode
- • Localization for 60 languages

---

Creating levels in this game is a very fun and easy process. You simply draw objects in cells, arrange blocks, objects and characters. You can make as many levels as you like and then choose on which level you want to play today, shoot your enemies and become the best!
